

Privacy Policy

Effective Date: 27.11.2024

Welcome to Health Journal! Your privacy is our priority, and we are committed to protecting your personal information. This Privacy Policy outlines how we collect, use, and safeguard your data while you use our application.

1. Information We Collect

We may collect the following types of information:

- **Health Data (Optional):** Blood pressure, fever, and other health-related metrics if manually input by you.
- **Usage Data:** Anonymous data such as app usage metrics to improve the app's functionality.
- **Notifications:** Information related to reminders and scheduled notifications for your health tracking.

2. How We Use Your Information

Your data is used to:

- Provide and improve app functionality.
- Store and display your health records for personal tracking.
- Send reminders for scheduled health checks.
- Help you locate nearby medical facilities.

We do not sell or share your data with third parties for marketing purposes.

3. Data Storage and Security

Your data is stored locally on your device and not uploaded to any external servers unless you explicitly opt to export or back it up. We use industry-standard methods to protect your data from unauthorized access.

4. Your Choices

- **Clear My Data:** You can delete all stored data through the app settings.
- **Export My Data:** You can export your data in a readable format for personal use.
- **Permissions:** You can manage location, notification, and health data permissions via your device settings.

5. Third-Party Services

This app does not currently integrate with third-party services like Apple HealthKit. However, future updates may offer optional integration, and this policy will be updated accordingly.

6. Your Rights

Depending on your location, you may have rights under data protection laws, including:

- Accessing and correcting your data.
- Deleting your data.
- Requesting a copy of your data in a portable format.
